CAERLAVEROCK 2020

A large flock of birds is seen in flight against a warm, golden sunset sky. The birds are silhouetted against the bright light, creating a sense of movement and unity. A large, bright sun is positioned on the left side of the frame, casting a warm glow over the entire scene. The birds are scattered throughout the sky, with some flying in small groups and others individually.

The background image shows a spacious, well-lit primary school classroom. In the center, there is a large, curved wooden bookshelf filled with books and toys. To the left, a window looks out onto a green landscape. The room is decorated with colorful bunting and educational posters. In the foreground, there are several tables with orange and blue tops, and a rug with numbers. The overall atmosphere is bright and inviting.
